

Freya Fables: The Age of Darkness

Filesize: 1.73 MB

Reviews

It is in a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Mr. David Friesen IV)

FREYA FABLES: THE AGE OF DARKNESS

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Age of Darkness has come and Daemoniac monsters from another world have crossed through to destroy the Kingdom of Storm s-Break and the entire realm. A monstrous dark army of evil, lead by a Daemon Lord; The Shadow Prince, marches to towards the city with one goal in mind; to turn this world in a wasteland of death and Darkness. In the gripping finale of the Freya Fables trilogy the Prince must learn about the true origins of Storm s-Break whilst defending his home, as Freya herself is on a quest to find a lost race. Featuring nearly all the characters from previous books and some new ones they will meet along the way, the entire realm must come together to fight back against the forces of the Daemons. The Age of Darkness is the thrilling conclusion of the fantasy series of action and adventure for all the family by Danny Hughes. Serving as a key part of the trilogy that, like all Freya Fable books, can be enjoyed either on its own or as part of a whole, forming a larger, in-depth story that will not leave you disappointed.
