Brand New Book ***** Print on Demand *****.Excerpt from Watson s Magazine, Vol. 17: May, 1913 Did it ever cross your mind that the word Logic is one of the most terrible of all words? When the Greek dramatists founded their plays upon it, and made every step in the journey toward the catastrophe a necessary result of the previous one, they proved their deep insight into the laws of Nature and of Mankind. Chains unseen, draw consequences from words and from deeds; and the thing we call a precedent, may become fraught with woe for millions of people who had nothing whatever to do with that first wrong step. When the barbarian tribe, embroiled in a quarrel with a neighboring tribe, saw the necessity of choosing its ablest man as Chieftain in the strife that was to follow, there was no thought that this ablest man would gradually become the permanent Chief - and then the King. Yet all royalties originated in just that tway. The one simple step taken, the others followed logically. In like manner, the temporary umpire of a dispute grew into a yearly judge; and the annually chosen judge grew into the life-tenure judge each step being the logical consequence of its predecessor. All systems have their remote origin in the case which repeated itself. To its acorn, every social, political and religious establishment may be traced. The germ having done its part, the rest of the progress to system, was the work of merciless, inevitable Logic - the grim, unfeeling, unhasting, unresting logic of events. It does not require a great amount of that which we call the historic imagination, for us to see the Christian church throw...
