He spent almost all of his adult life in solitude, poverty, and obscurity within the walls of a priory. He was known for profound peace and high commitment to Jesus Christ. He cared not for the worldly status of his tasks, but the motivation behind it. We can do little things for God, he wrote. I turn the cake that is frying on the pan for love of him, and that done, if there is nothing else to call me, I prostrate myself in worship before him, who has given me grace to work; afterwards I rise happier than a king. It is enough for me to pick up but a straw from the ground for the love of God. Generations after his death, this book has become one of the most popular Christian books in history. It was oft quoted by John Wesley and A.W. Tozer, and today tens of millions of copies are in circulation. This edition is available on-demand and is printed in its original translated format. Xulon Press is the country s leading on-demand publisher of Christian books, with more than one million copies in print. Visit.
