After the four worlds Alfred has at last found his people on Chelstra, the realm of sea. But Haplo's lord has decreed all Sartan to be the enemy, and Haplo dares not go against his lord. Now the companions have arrived in a land where humans, elves, and dwarves have learned to live in peace. Unaware of an even greater threat to all the realms, it is Sartan and Patryn who will disrupt this alliance of the lesser races in their struggle to gain control of all four worlds. Only Alfred and Haplo realize that they have a much older -- and more powerful -- enemy than each other.
