Reviews

A top quality ebook and the font used was fascinating to read through. It is written in easy terms and not confusing. Its been written in a remarkably easy way in fact it is simply after i finished reading through this publication through which actually altered me, alter the way i believe.

(Roberto Block)

DRAKE S ELECTRICAL DICTIONARY (PAPERBACK)

Read Books, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This early work on electrical vocabulary is both expensive and hard to find in its first edition. It contains an extensive list of definitions for the terms and phrases used in electrical engineering and the electrical trades. This is a fascinating work and is thoroughly recommended for anyone with an interest in the field. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
