

## Healing Gone Wrong - Healing Done Right (Paperback)

By MD Ray Schilling

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The author, Dr. Schilling is a retired physician who has seen a lot of failures and successes when practicing medicine. In this book he describes how too many in his former profession focus on treating a patient s symptoms with various medicines instead of addressing the underlying causes. He begins this book by highlighting stories of famous people that he feels were failed by medicine (Elvis Presley, John F. Kennedy, Michael Jackson, Churchill and the composer Beethoven). Following that a scenario of a modern-day Joe is introduced who experiences dangerous side effects from prescribed medications before having the motivation and willpower to follow through on lifestyle changes that solve his medical problem without medication. The author then spends the bulk of the book citing studies that support various measures for staying healthy at the cellular level, which may help prevent heart disease, cancer, joint problems, and brain atrophy. He notes, Balanced nutrition with organic food, vitamins and supplements and exercise will all contribute to having optimal mitochondrial function. He also covers several alternative therapies, including intravenous chelation...
