## LOUDER THAN WORDS: HARNESS THE POWER OF YOUR AUTHENTIC VOICE

BRILLIANCE AUDIO, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. The next step in personal effectiveness, by the acclaimed author of *The Accidental Creative* and *Die Empty*. There has never been a better time to build an audience around your idea or product. But with so many people and companies clamoring for attention, its also more challenging than ever to do work that deeply resonates with the marketplace and creates true and lasting impact. According to Todd Henry, the key to standing apart from the noise is to find your unique voice. Those who identify and develop their voices will gain more attention and wield more influence. But first they have to identify what they truly stand for, develop a compelling vision, and become masters of expressing their ideas in whatever media they choose. Henry offers strategies, exercises, and true stories that illustrate the five attributes of resonant work: Authenticity: Uncover the narratives that are at the core of your personal and professional identity. Uniqueness: Identify what makes your work distinct from that of others, and learn to creatively package and present your message. Consonance: Cultivate internal consistency and harmony in your work. Empathy: Listen to your audiences aspirations and struggles to make your message more compelling. Timing: Learn how to coordinate your work with ideas that already have cultural momentum. Making your work speak is a life-long process of trial, error, and realignment. Henrys audiobook will help listeners build a body of work that resonates deeply and achieves lasting impact.
