*This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Save Rafe!, James Patterson, After a rough summer, Rafe is heading back to the dreaded Hills Village Middle School, the site of the very worst years of his life. And as if that's not bad enough, Rafe's learned that he's going to be held back a year unless he can prove himself on an outdoor survival excursion - complete with dangerous white-water rafting, dizzying rock climbing and military style counsellors. Rafe and the rest of the pack of 'delinquent' trainees are forced to cooperate as they prepare for the final test: a solo excursion in the deep woods. Can Rafe come out of the experience in one piece? And if he does, will anyone recognise him as the kid they once knew?.
