Hodder Stoughton General Division, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. They found her on the beach, frozen, like a statue carved in ice. Post-war Boston is down on its luck, and desperate to reinvent itself. But promises of a brighter future sound ever more hollow as the worst winter in recent memory tightens its grip. No one is interested in a string of murdered women - everyone would much rather pretend they don't exist. But the latest victim was loved. Old friends Cal and Dante are both struggling to find a way to live in a city that seems to be leaving them behind. The hunt for a killer gives them new purpose, as well as making them powerful enemies. But they believe in justice and second chances, and they will see this thing through - whatever the cost.
