Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Something Wicked (Main Market Ed.), Kerry Wilkinson, Something Wicked is the first in a breath-taking series from Kerry Wilkinson, creator of the bestselling Jessica Daniel books. Nicholas Carr disappeared on his eighteenth birthday and the world has moved on. His girlfriend has left for university, his friends now have jobs and the police are busy dealing with the usual gallery of suspects. But his father, Richard, can't forget the three fingers the police dug up from a sodden Manchester wood. What happened to Nicholas on the night he disappeared and why did he never return home? A private investigator is Richard's last hope - but Andrew Hunter has his own problems. There's something about his assistant that isn't quite right. Jenny's brilliant but reckless and he can't figure out what's in it for her. By the time he discovers who's a danger and who's not, it might all be too late.
