

Kidney Failure: Choosing a Treatment That s Right for You (Paperback)

By U S Department of Health Human Services, National Institutes of Health, National Institute of Diabetes and Digestive and Kidney Diseases

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Your kidneys filter wastes from your blood and regulate other functions of your body. When your kidneys fail, you need treatment to replace the work your kidneys normally perform. Developing kidney failure means you have some decisions to make about your treatment. You may choose to forgo treatment. If you choose to receive treatment, your choices include hemodialysis, which requires a machine used to filter your blood outside your body; peritoneal dialysis, which uses the lining of your belly to filter your blood inside the body; and kidney transplantation, in which a new kidney is placed in your body. Each treatment has advantages and disadvantages. Your choice of treatment will have a big impact on your day-to-day lifestyle, such as being able to keep a job if you are working. You are the only one who can decide what means most to you. Reading this publication by the National Institutes of Health (Publication No. 08-2412) is a good way to learn about your options so you can make an informed choice. And, if you find that your choice is not..
