

Rethinking Normal: A Memoir in Transition

Filesize: 7.49 MB

Reviews

A very great pdf with lucid and perfect explanations. It really is rally interesting through reading time period. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about in the event you question me).
(Keshawn Schneider)

RETHINKING NORMAL: A MEMOIR IN TRANSITION

Simon & Schuster Books for Young Readers. Paperback. Condition: New. 288 pages. In her unique, generous, and affecting voice, nineteen-year-old Katie Hill shares her personal journey of undergoing gender reassignment. Have you ever worried that you'd never be able to live up to your parents' expectations? Have you ever imagined that life would be better if you were just invisible? Have you ever thought you would do anything to make the teasing stop? Katie Hill had, and it nearly tore her apart. Katie never felt comfortable in her own skin. She realized very young that a serious mistake had been made; she was a girl who had been born in the body of a boy. Suffocating under her peers' bullying and the mounting pressure to be normal, Katie tried to take her life at the age of eight years old. After several other failed attempts, she finally understood that Katie, the girl trapped within her, was determined to live. In this first-person account, Katie reflects on her pain-filled childhood and the events leading up to the life-changing decision to undergo gender reassignment as a teenager. She reveals the unique challenges she faced while unlearning how to be a boy and shares what it was like to navigate the dating world and experience heartbreak for the first time in a body that matched her gender identity. Told in an unwaveringly honest voice, *Rethinking Normal* is a coming-of-age story about transcending physical appearances and redefining the parameters of normalcy to embody one's true self. This item ships from multiple locations. Your book may arrive from Roseburg, OR, or La Vergne, TN. Paperback.
