### **Reviews**

*This book is great. it was writtern quite flawlessly and helpful. You will not truly feel monotony at whenever you want of your time (that's what catalogs are for concerning if you ask me).*  
(Sterling Kris)

## THYME OF DEATH

Penguin Putnam Inc, United States, 1998. Paperback. Book Condition: New. Reprint. 170 x 104 mm. Language: English . Brand New Book. China Bayles has it all - a prestigious Houston law practice, money, power - but it s not enough. She s smart, she s tough, she s confident, and she knows she wants something more out of life than the fast track offers. Something like the Thyme and Seasons herb shop in Pecan Springs, Texas. Realizing that her career is turning her into somebody she doesn t like, China does what many people only dream of doing: She relocates to a small town to begin a new and, she hopes, a gentler, more fulfilling life. But even in Pecan Springs, evil can occur among ordinary people living everyday lives. China soon learns that while she can move from the city, she can t escape the world of moral choice. When China s good friend, Jo Gilbert, apparently commits suicide, China is more than puzzled. Jo had been suffering from a terminal disease, but wasn t the type to take her own life. And, to a lawyer like China, some revealing letters that Jo leaves behind shout blackmail and murder, not suicide. But why would anybody want to kill a woman who will die soon anyway? And what about the scent of perfume in Jo s house? When another mysterious death occurs, China is sure she s dealing with homicide. Helped by her best friend, New-Ager Ruby Wilcox, and with support from lover Mike McQuaid, a former-cop-turned-professor, China follows a trail of greed and fear to discover some unsettling answers. Thyme of Death marks the memorable debut of one of the most original and appealing new female sleuths to come along in years. Readers will identify with China Bayles as...
