

Grandmothers: Granddaughters Remember (Hardback)

Filesize: 1.19 MB

Reviews

*A whole new eBook with a new point of view. It can be rally fascinating through studying period of time. I am delighted to explain how this is actually the finest book i have read through during my very own life and could be he best publication for at any time.
(Scarlett Stracke)*

GRANDMOTHERS: GRANDDAUGHTERS REMEMBER (HARDBACK)

Syracuse University Press, United States, 1998. Hardback. Condition: New. New. Language: English . Brand New Book. This collection of stories and vignettes - a multicultural anthology of women from diverse ethnic backgrounds - reveals how the mantle of culture and family is passed from woman to woman. As they vividly explode stereotypes the pieces illustrate not only the courage of older women, but the received wisdom of younger women. Granddaughters remember their grandmothers as extraordinary women at once defiant and tradition bound, loving and stubbornly dogmatic. Some reinvent their grandmothers, others discover them for the first time. For example, Mary Helen Washington unmask the word freedpeople in her grandmother s story to reveal the widespread aggression against supposedly freed slaves. Beryl Minkle s Bubba tells a tale of cultural and religious injustice that includes the oppression of women. Noted Native American writer Paula Gunn Allen reflects on her different cultural threads, as she searches for her Lebanese great-grandmother for whom she was named.
