Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Concise History of Massachusetts: From Its First Settlement, (and for Fourteen Years, the History of All New England;); For the Use of Schools and Families It is hoped that no apology will be deemed necessary for an attempt to furnish the youth of Massachusetts with a History of their native state in so condensed a form, as shall put it in the power of every one to obtain a knowledge of the leading facts. Such is the object of the compiler of this little work. To facilitate the acquisition of this knowledge, by young learners in schools and families, the interrogative form has been adopted, and the events arranged in chronological order. The best authorities have been consulted, and care has been taken to render the work as correct. As possible. The immediate answers to the questions are as brief as can well be, and printed in larger type. The passages in small type may be attentively read by the pupil, and so much of them recited by him on going through the book a second time, as shall be deemed proper by the judicious teacher.
