Pearson, 2015. Loose-leaf. Condition: New. Language: English . Brand New Book. The new Carson All in One, Developmental Mathematics: Prealgebra, Elementary Algebra, Intermediate Algebra, offers everything needed to teach the full developmental math sequence in one flexible course solution. True to the Carson approach, it guides students to success by presenting the why behind understanding algebra, and includes the complete Carson Math Study System with a Learning Styles Inventory to address individual learning styles. The authors speak to students in everyday language and walk them through the concepts, explaining not only how to do the math, but also where the concepts come from and why they work, to foster conceptual understanding.
