Balboa Press, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.There is a young lady called Emily who speaks soft and slows, and whom everybody thinks is sweet. Emily is currently studying at a charming campus. She loves studying, reading, writing stories, crafts, and playing the organ. She likes school life because it is simple. During the weekend, she watches lots of movies at home. She writes a lot as well. Although it is silly to write a poetic, artful little essay about why Emily always wants to die, she finished her journal yesterday. You re probably wondering what on earth her journal is. Well, Emily s journal is where she tried to write about her past and explain her decision of death to her family and other people who are interested in her life, although there are probably very few of those. She writes her feelings, and all her bad or good experiences in it. She wonders if there are people around her who has similar situation with her or who actually understand her pain, so she decides to have her story publish.
