Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When Louis Trevelyan was twenty-four years old, he had all the world before him where to choose; and, among other things, he chose to go to the Mandarin Islands, and there fell in love with Emily Rowley, the daughter of Sir Marmaduke, the governor. Sir Marmaduke Rowley, at this period of his life, was a respectable middle-aged public servant, in good repute, who had, however, as yet achieved for himself neither an exalted position nor a large fortune. He had been governor of many islands, and had never lacked employment; and now, at the age of fifty, found himself at the Mandarins, with a salary of 3,000 a year, living in a temperature at which 80 in the shade is considered to be cool, with eight daughters, and not a shilling saved. A governor at the Mandarins who is social by nature and hospitable on principle, cannot save money in the islands even on 3,000 a year when he has eight daughters. And at the Mandarins, though hospitality is a duty, the gentlemen who ate Sir Rowley s dinners were not exactly the men whom he or Lady Rowley desired to welcome to their bosoms as sons-in-law. Nor when Mr. Trevelyan came that way, desirous of seeing everything in the somewhat indefinite course of his travels, had Emily Rowley, the eldest of the flock, then twenty years of age, seen as yet any Mandarin who exactly came up to her fancy.
