Random House USA Inc, United States, 2008. Hardback. Book Condition: New. Updated. 239 x 173 mm. Language: English . Brand New Book. Fooled by Randomness is a standalone book in Nassim Nicholas Taleb's landmark Incerto series, an investigation of opacity, luck, uncertainty, probability, human error, risk, and decision-making in a world we don't understand. The other books in the series are *The Black Swan*, *Antifragile*, and *The Bed of Procrustes*. Now in a striking new hardcover edition, *Foiled by Randomness* is the word-of-mouth sensation that will change the way you think about business and the world. Nassim Nicholas Taleb, veteran trader, renowned risk expert, polymathic scholar, erudite raconteur, and New York Times bestselling author of *The Black Swan* has written a modern classic that turns on its head what we believe about luck and skill. This book is about luck or more precisely, about how we perceive and deal with luck in life and business. Set against the backdrop of the most conspicuous forum in which luck is mistaken for skill—the world of trading—*Foiled by Randomness* provides captivating insight into one of the least understood factors in all our lives. Writing in an entertaining narrative style, the author tackles major intellectual issues related to the underestimation of the influence of happenstance on our lives. The book is populated with an array of characters, some of whom have grasped, in their own way, the significance of chance: the baseball legend Yogi Berra; the philosopher of knowledge Karl Popper; the ancient world's wisest man, Solon; the modern financier George Soros; and the Greek voyager Odysseus. We also meet the fictional Nero, who seems to understand the role of randomness in his professional life but falls victim to his own superstitious foolishness. However, the most recognizable character of...
