

Public Health Tools for Practicing Psychologists

By J.A. Tucker, D.M. Grimley

Hogrefe Publishing. Paperback. Book Condition: new. BRAND NEW, Public Health Tools for Practicing Psychologists, J.A. Tucker, D.M. Grimley, Many people in need of behavioral health measures or psychotherapy do not seek clinical care and are simply not being "reached" by current practices and services. This book shows psychologists how to integrate public health tools into psychological practice - and so better meet today's demands for effective and cost-effective therapeutic and preventive care. Readers learn about intervention approaches, how they work and for what populations, and how clinical treatment fits into such a scheme. The goal is to complement and expand current clinical and psychotherapeutic approaches, reaching more people in need with services that vary in scope and intensity based on their needs and preferences. This "integrated behavioral health care" approach maintains a degree of individualization while finding "teachable moments" for behavior change interventions, enhancing motivation for change, and making use of print, telephone, and computer dissemination strategies. This clearly structured book provides practice suggestions and examples for incorporating a public health approach into clinical work, as well as useful appendices to help expand these applications. It is both compelling reading for those already in clinical practice and an ideal text...

Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
