High above our earthly soil, float the glorious clouds of many splendid shapes and sizes. Those clouds can give us welcome rain when we need it, and lofty snow to play. The clouds can grow cold, dark, and thunder out a bark. Yet, the clouds part the sky to embrace sunlight s spark. Clouds can be good or clouds can be bad. Clouds make you happy or clouds can make you sad. Have you ever laid on the grass or sat quietly and gazed at the beauty of our world s clouds? Do you share with others the joy of search and find with all the different shapes? I have done just that with my own children, other children, and even adults who are cherished friends. I treasure those happy, gleeful child-like moments remembering our laughs and giggles, and our hearts would tickle. It s time for a little preview of my Virtuepops Paradise Animals N to Z who live on glorious clouds. Each fantastic animal has a particular duty to watch over, assist, and protect someone that needs them on earth. You ll meet animals that live on the clouds of faith, hope, and love, and other virtues. You ll also meet animals that live on clouds that become dark and gloomy. They send pain and despair to not only our people of the earth, but our animals, our food, and our shelter. You will read exciting stories of real live people who, most are aging, are rescued from their sufferings by the great and powerful..
