The rocky hills and dark valleys of the Ozark Mountains hold many secrets for those bold enough to go in search of them. From the grieving ghost of the Ozark s Madonna to the dangerous apparition who haunts the Irish Wilderness, ghosts and legends abound in the Ozarks. A long settled land, the Ozarks has seen its fair share of tragedy and turmoil; from accidents to civil war battles the Ozarks holds more than her fair share of ghosts and hauntings, the stories told and retold down through the generations, a huge part of the hill country folklore. Join Para-historian and author Bud Steed as he retells some of the best ghost stories of the Missouri Ozarks and debunks a popular legend that has been told since the 1940 s; a legend that has been the cause of several deaths itself. Take a ghostly trip through the communities and hills that make up the Missouri Ozark Mountains and experience the spirits and entities that call it home.
