This reader-gripping page-runner, involves the hectic life of a double-crosser named Sizakele Mthimkhulu who is married to a king alongside two other wives, Nomthandazo and Bonakele. Sizakele craves in her blood with an obsession that her son Mabutiza, born blind and heir to the king's throne marry Senzeni, a beautiful daughter of her friend Sakhile who is a nurse and is married to the principal of a school where Sizakele is a teacher. She opened her eyes and saw a nightmarish figure standing frantically before her. It was Sizakele the queen. I caught you red handed! You are gossiping about me behind my back with your dim-witted God! You're a futile poverty-stricken waste of rations! You think your God will help you get your miserable daughter to marry...
