Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it in fact modified me, altered the way in my opinion.

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Marie Colvin, described as the greatest war correspondent of her generation, was killed in a rocket attack in February 2012 while reporting on the desperate suffering of civilians inside Syria's besieged Homs. Paul Conroy, who had forged a close bond with Colvin as they put their lives on the line time and time again to report from some of the world's most dangerous conflict zones, was with her. *Under the Wire* is Paul's gripping, visceral and moving account of their friendship, and in particular, the final year he spent alongside Marie. When Marie and Paul were smuggled into Syria by rebel forces, they found themselves trapped in one of the most hellish neighborhoods on earth. Fierce barrages of heavy artillery fire rained down on the buildings surrounding them, killing and maiming hundreds of civilians. Marie was killed by a rocket which also blew hole in Paul's thigh, big enough to put his hand through. Bleeding profusely, short of food and water and in excruciating pain, Paul then endured five days of intense bombardment before being evacuated in a daring escape involving a motorbike ride through a tunnel, crawling through enemy terrain, and finally climbing a 12-foot-high wall. Astonishingly vivid, heart-stoppingly dramatic and shot through with the darkest of humor, in *Under the Wire* Paul Conroy shows what it means to be a war reporter in the 21st century. His is a story of two brave people drawn together by a shared compulsion to bear witness.
