### **Reviews**

*Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, In Montmartre: Picasso, Matisse and Modernism in Paris, 1900-1910, Sue Roe, "Heady, lively, engaging.brings Montmartre's heyday back to life." (Sunday Times). "Brilliant." (Guardian). The real revolution in the arts first took place not, as is commonly supposed, in the 1920s to the accompaniment of the Charleston, black jazz and mint juleps, but more quietly and intimately, in the shadow of the windmills - artificial and real - and in the cafes and cabarets of Montmartre during the first decade of the century. The cross-fertilization of painting, writing, music and dance produced a panorama of activity characterized by the early works of Picasso, Braque, Matisse, Derain, Vlaminck and Modigliani, the appearance of the Ballet Russe and the salons of Gertrude Stein. In Montmartre, Sue Roe vividly brings to life the bohemian world of art in Paris between 1900-1910.
