E-I-E-I-O Tressa Jayne Turner has had it up to here with the dumb-blonde jokes and a childhood nickname that s harder to get rid of than her favorite pair of cowboy boots. Thanks to one Rick Townsend, Iowa Department of Natural Resources officer, local hottie, and general pain in Tressa s behind, everyone knows her as Calamity Jayne. Just because she may be a little accident prone and trouble seems to sometimes find her, Tressa can t get anyone in her small town to take her seriously. That is, until Tressa finds a seriously dead body and an opportunity to get Ranger Rick and a skeptical citizenry to see that she s no longer that skinny kid with scraped knees. How? By resurrecting her job as a reporter for the hometown paper and solving a murder no one else believes happened. no one, that is, except the killer. Now Tressa is one not-so-dumb blonde who s out to gain a little hometown respect--or die trying. Other Calamity Jayne books: #1 Calamity Jayne...

*This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).*
