REDISCOVERING KINGDOM HEALING (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Mike Endicott takes a fresh look at healing as an aspect of the life of the kingdom of God. Jesus ministry shows that kingdom healing is: * Freely available from God, whose will is to heal * meant for everyone, not just a few special ones * not all about delving into the sufferer s background in search of blockages * not dependent on techniques and methods We need to rediscover the heart of kingdom living: the telling of the good news; an atmosphere of faith; practical obedience to God s word; praise and worship; the Lordship of Jesus, in whom the love and the will of the Father are revealed, and the activity of the Holy Spirit. In the life of the kingdom, healing is found. MIKE ENDICOTT lives in South Wales where, together with others, he founded the original Well Centre, as a place for the Christian healing ministry. He spends his life in prayer and the encouragement of others through ministry and teaching, which has now seen many new Wells being established throughout the UK.
