Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

(Dr. Marvin Deckow)

LUCKY LADYBUG STICKERS

Dover Publications Inc., United States, 2004. Paperback. Book Condition: New. 137 x 94 mm. Language: English . Brand New Book. Ladybugs -- those small insects with black spots on their red bodies -- are fun to watch. The twenty that appear in this sticker collection are especially entertaining. They ride a bike, play musical instruments, work in the garden, skateboard, have a game of tennis, and take part in other sports. These amusing images will brighten a variety of flat surfaces.
