Data Jack is the latest novel in the wildly popular Detective Jack Stratton series. We hope you enjoy! Jack Stratton s back is up against the wall. He s broke, kicked off the force, and the bounty hunting business has slowed to a trickle. With no money coming in, Jack s license to carry suspended, and no good job prospects on the horizon, Jack s got it tough. He thinks things are turning around when Replacement gets a lucrative job setting up a home data network. That is, until he discovers it s for a handsome, jet-setting software tycoon. The boy billionaire as Jack begrudgingly refers to him, takes a liking to computer-savvy Alice. Jealous, Jack thinks life can t get any worse, but when the computer program the CEO invented becomes the key tool in an international data heist, things turn deadly. In this digital age of hackers, spyware, and cyber terrorism-data is more valuable than gold. The thieves plan to steal the keys to the digital kingdom and with this much money at stake, they ll kill for it. Can Jack and Replacement stop the pack of ruthless criminals before they can Data Jack? Data Jack is part of the Jack Stratton collection that has over 700 five-star reviews. If you love a page-turning thriller with mystery, humor and a dash of romance, pick up Data Jack today. This stand-alone novel features leading man Jack Stratton.
