BETWEEN STREET AND SCREEN

Pabst Science Publishers Düstri. Taschenbuch. Condition: Neu. Neuware - Changes take place swiftly in the European drug situation and in social drug research. To a large extent, these developments are fuelled by technological innovations. Like many other people, drug users, drug dealers and drug researchers increasingly make use of electronic devices such as computers, smartphones, laptops, tablets, the Internet, apps, etc. These devices share one thing: the screen. These developments mean that researchers no longer need to go to locations...
