Russia Survival Guide is different from other travel guides out there in that it is conversational in tone and is written by two people who live in and have fallen in love with Russia. It is a treasure trove of historical and cultural facts and figures which are made more immersive by the authors personal stories. It is also a great reference guide for anyone planning to travel to Russia, providing answers to questions regarding the visa process, what to expect upon arriving, the modes of transportation and what cultural spots to visit, to name a few. Russia is an exciting, interesting, and dynamic country, but sometimes the differences that people come across are extremely frustrating and confusing, says Krivchenia, Our goal is to explain some of Russias unique qualities so that our friends, clients, tourists, and all others can appreciate this amazing country. A must-have for travelers and armchair travelers, Russia Survival Guide discusses all pertinent topics - from the countrys architecture to the traffic - in a chatty and thoroughly enjoyable manner. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
