Reviews

This ebook may be worth getting. I actually have read through and i am sure that i am going to likely to read through again once more down the road. You will not sense monotony at whenever you want of your respective time (that's what catalogues are for relating to should you check with me).

(Mr. Golden Flatley)

THE LYMPHATIC SYSTEM

DOWNLOAD

ABC-CLIO. Hardback. Book Condition: new. BRAND NEW, The Lymphatic System, Julie McDowell, Michael Windelspecht, Beginning with an exploration of the chemicals and cells of the lymphatic system, this volume of the Encyclopedia of the Human Body discusses the various components of the lymphatic system and how they work together to initiate the immune response, act as a secondary circulatory system, and transport select nutrients from the digestive system to the circulatory system. The lymph system, including lymph nodes and lymphatic circulation are explored and lymphatic functions of the spleen, appendix, and tonsils are discussed. The history of the research on the lymphatic system is presented and the future of research in this field is considered. Current controversies and dilemmas of scientists performing this research are explored. Lymphatic system disorders and diseases, and their symptoms and treatments are explored, including leukemia, AIDS, anemia, chronic fatigue syndrome, strep infections, asthma, and allergies. This reference concludes with information about maintaining a healthy lymphatic system, a comprehensive glossary, and resources for further information including web sites and contact information for organizations and national health institutions. The Encyclopedia of the Human Body provides a complete, comprehensive reference source for students interested in the human body. Each book in this ten-volume series introduces and describes a specific body system, including the parts and function of each system, the history of discovery, related diseases and treatments, as well as future advances in research. Detailed illustrations and diagrams, including an eight-page color insert, provide a visual reference for written material.
