

Drawing Cosmic Heroes (Paperback)

By William Potter

PowerKids Press, 2017. Paperback. Condition: New. Juan Calle (illustrator). Language: English . Brand New Book. When intergalactic evil strikes, heroic astronauts, aliens, and robots spring into action! This ultimate guide shows readers how to create bizarre extraterrestrial life-forms, design amazing robots, and deck their characters out in space gear. Readers will draw inspiration from Earth's insects and strange animals as they bring their own alien species to life. They'll build diverse planets and mind-blowing star fields for their characters to conquer or defend. Simple step-by-step instructions and tips from the pros help readers learn difficult art concepts with ease. Readers will experiment with depth, distance, and other key techniques as they gain confidence in their abilities to create their own original comics.

Reviews

An extremely wonderful book with perfect and lucid information. This can be for all those who statted there had not been a really worth reading through. Its been written in an exceptionally easy way and it is only after i finished reading this ebook in which actually modified me, alter the way i really believe.
