*Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Hard rock band Schadenfreude is finally on the verge of the success that eluded them for the last several years. With Aaron McClure as their new lead singer, nothing is going to stop them. except maybe a steamy, secret relationship between Aaron and bassist Bastian Koehler. Aaron knows all too well what can happen when band members get involved with each other. After all, his last band was a casualty of his last relationship, and Schadenfreude forbids band members from dating for that very reason. But Bastian is too hot to resist, and besides, it's just sex, so what's the harm? Bastian has just gotten out of a long relationship with his volatile ex-fiancee when Aaron catches his eye. The sexy singer is irresistible, and in spite of the potential for strife within the band if this comes out, Bastian can't help himself. Their passion in the bedroom is rivaled only by their ambition as musicians, though, and pretty soon, it's going to tear them, and Schadenfreude apart, if they can't get back to playing with the band.
