There is also a world of beauty in pictures, but it escapes the notice of many, because, while they wish to see it, they do not know how. The first necessity for the proper seeing of a picture is to try and see it through the eyes of the artist who painted it. This is not a usual method. Generally people look only through their own eyes, and like or dislike a picture according as it does or does not suit their particular fancy. These people will tell you: Oh! I dont know anything about painting, but I know what I like; which is their way of saying: If I dont like it right off, I dont care to be bothered to like it at all. Such an attitude of mind cuts one off from growth and development, for it is as much as to...
